“ROWING IS GROWING IN VERO”

Community Boathouse Construction Takes Off

Six years of hard work by the Vero Beach Rowing community to raise funds to build a Community Boathouse has paid off as construction is now in full swing! The Boathouse will be the center of VBR's mission to further enhance, promote and teach the sport of rowing as a means to develop fitness, personal character and a cooperative ethic.

2019 Wheels & Keels Antique & Exotic Car & Boat Show

On June 3, the Vero Beach Rowing Club receiving a proceeds check from the Wheels and Keels Foundation from their April Gala and Live Auction! held to benefit ARC, Lines in the Lagoon, Navy Seal Trident House Charities, Vero Beach Rowing Club and the Youth Sailing Foundation of IRC. This year's Gals generated the highest results ever! This is in large part attributable to the 32 VBR Club members who attended the evening gala. Thank you all for your participation, generosity and for taking the time out of your schedules to make VBR so proud. The proceeds from the Live Auction exceeded previous years and has been deposited into the VBR Operating Budget account. Thank you VBR!

Oceanside Music Event - August 10 at Humiston Park

Vero Beach Rowing will be the featured non-profit at the 'Sunset Saturday Concert. The Sunset Saturday Free Concert Series is organized by the Oceanside Business Association. The concert will feature the band 'Orange Avenue' from 6:30pm to 9:30pm. VBR will be manning an information booth as well as manning the beer and wine tents. **Volunteers are Needed** to help. Please contact Jimmy Michael (jmichae2@gmail.com) if you would like to volunteer. Special thanks to Joyce Kashawlic for making all of this happen for our rowing community. June 1st was National Learn To Row Day and was a resounding success! 33 people came to row. We were busy the entire time from 10am to 2pm. Thanks to the great volunteer turnout the day went very smoothly. This day is a community service mostly, but we did net a few youth summer camp and adult learn to row signups

EQUIPMENT AND CLUB UPDATE

- The shed has been equipped with an air conditioner to protect VBR electronics and Coaches from overheating.
- One of the 2 coxed quad conversions has been completed and is being used daily in the Learn-To-Row (LTR) program.
- It is Strongly Recommend that all Masters complete the **Safe Boating Test**: <https://elearning.boatus.org>.
- The new **VBR Handbook** will be on the website by Mid July. All Masters will be 'Required' to read the Handbook and check off a box upon registration/re-registration.
- The Vespoli 2X "Thetis" is away for the month, back around July 15. We rented it to two local Embry Riddle rowers competing in the US Under 23 Team Trials.
