

THE BOATHOUSE IS RISING!

You can be a permanent part of this Historic Moment!

Thanks to the many donors who have made it possible to get this far. Our boathouse is under construction! We do have a funding gap that we need to close before completion in late 2019.

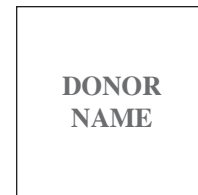

We will have permanent recognition of our donors in two different ways.

For our major donors, we are going to have a beautiful donor recognition wall in the main foyer area on the second floor. Lucite plaques with donor names will be suspended in front of a large and magnificent photo of the lagoon north of the Barber Bridge. For our next groups of donors, we will have paver bricks laser-inscribed with their names on the main walkway into the building.
